

Equities Rule 5.2(j)(3), the Exchange's listing standards for Investment Company Units ("ICUs").<sup>3</sup> The Fund is an "index fund" that seeks to provide investment results that correspond generally to the price and yield performance, before fees and expenses, of publicly-traded securities in the aggregate in the Irish market, as represented by the ISEQ 20® ("Index"). The primary market for securities in the Index is the Irish Stock Exchange.

The Exchange submits this proposed rule change because the Index for the Fund does not meet all of the "generic" listing requirements of Commentary .01(a)(B) to NYSE Arca Equities Rule 5.2(j)(3) applicable to the listing of ICUs based on international or global indexes. The Index meets all such requirements except for those set forth in Commentary .01(a)(B)(3).<sup>4</sup> The Exchange represents that: (1) Except for the requirement under Commentary .01(a)(B)(3) to NYSE Arca Equities Rule 5.2(j)(3) relating to the five most heavily weighted component stocks, the Shares of the Fund currently satisfy all of the generic listing standards under NYSE Arca Equities Rule 5.2(j)(3); (2) the continued listing standards under NYSE Arca Equities Rules 5.2(j)(3) and 5.5(g)(2) applicable to ICUs will apply to the Shares; and (3) the Trust is required to comply with Rule 10A-3 under the Act<sup>5</sup> for the initial and continued listing of the Shares. In addition, the Exchange represents that the Shares will comply with all other requirements applicable to ICUs including, but not limited to, requirements relating to the dissemination of key information such as the Index value and Intraday Indicative Value, rules governing the trading of equity securities, trading hours, trading halts, surveillance, and Information Bulletin to ETP Holders, as set forth in prior Commission orders approving the generic listing rules

<sup>3</sup> An ICU is a security that represents an interest in a registered investment company that holds securities comprising, or otherwise based on or representing an interest in, an index or portfolio of securities (or holds securities in another registered investment company that holds securities comprising, or otherwise based on or representing an interest in, an index or portfolio of securities). See NYSE Arca Equities Rule 5.2(j)(3).

<sup>4</sup> The Exchange states that the Index satisfies the first requirement under Commentary .01(a)(B)(3) to NYSE Arca Equities Rule 5.2(j)(3) that the most heavily weighted component stock shall not exceed 25% of the weight of the index or portfolio. However, the Index fails to meet the second requirement of Commentary .01(a)(B)(3) to NYSE Arca Equities Rule 5.2(j)(3) that the five most heavily weighted component stocks shall not exceed 60% of the weight of the Index. The Exchange states that, as of April 18, 2008, the five most heavily weighted component stocks represented 68.7% of the Index weight.

applicable to the listing and trading of ICUs.<sup>6</sup>

The Exchange states that detailed descriptions of the Fund, the Index, procedures for creating and redeeming Shares, transaction fees and expenses, dividends, distributions, taxes, and reports to be distributed to beneficial owners of the Shares can be found in the Trust's Registration Statement<sup>7</sup> or on the Web site for the Fund (<http://www.netsetfs.com>), as applicable.

## 2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,<sup>8</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>9</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system. The Exchange believes that the proposed rule change will facilitate the listing and trading of additional types of exchange-traded products that will enhance competition among market participants, to the benefit of investors and the marketplace.

### B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange states that written comments on the proposed rule change were neither solicited nor received.
